SMILES ENROLLMENT & ACCOUNT MAINTENANCE

9. HOW DO I ENROLL IN SMILES UAE?

Enrollment into Smiles UAE can be done directly by the Cardholder or by CBD on behalf of the Cardholder.

1.1 Directly by Cardholder

- 1) Download the "SMILES UAE" app from Apple Store or Google Play Store
- 2) Enter your CBD registered Mobile number you wish to use for enrollment
- 3) Enter the One-time-password (OTP) sent to the Mobile number provided
- 4) Enter the personal details requested including name, gender, nationality, date of birth and e-mail address (you may be asked to validate the e-mail address provided)

That's it! Enrollment is complete and a Smiles Membership is assigned to the Cardholder based on the mobile number provided. The Cardholder will receive an SMS from Smiles on the mobile number provided confirming the Enrollment.

1.2 By CBD on behalf of Cardholder (only Primary Cardholders will be enrolled into Smiles)

Using the Cardholder's card application, CBD will provide the requisite information including name, registered mobile number, gender, nationality, date of birth and e-mail address for Enrollment and assignment of Smiles Membership.

The Cardholder will receive an SMS from Smiles on the mobile number provided confirming the Enrollment.

The Cardholder can then follow the same steps mentioned above (please see 1.1) to access his Smiles Membership. It is critical to note that the mobile number and other personal details entered on the Smiles UAE app by the Cardholder must exactly match those provided to CBD in the card application. If there is a mismatch in the details provided, the Cardholder will not be able to access Smiles Membership.

10. WHO CAN ENROLL INTO SMILES UAE?

UAE residents having a valid UAE mobile number can enroll into Smiles UAE. These include:

- a. Etisalat post-paid & pre-paid Mobile numbers owned by individuals (**Consumer Numbers**)
- b. Etisalat corporate numbers owned by companies/firms/enterprises but used by employees or agents (**Enterprise Numbers**)
- c. Non-Etisalat (e.g. DU, Virgin etc.) post-paid & pre-paid Mobile numbers owned by individuals or owned by companies but used by employees or agents (**Non-Etisalat Numbers**)

So, any UAE resident with a valid UAE mobile number can enroll into Smiles UAE. The program is NOT restricted only to Etisalat subscribers

11. I HAVE A VALID MOBILE NUMBER BUT IT IS NOT IN MY NAME? CAN I ENROLL INTO SMILES UAE?

For enrollment into Smiles UAE, the Primary Cardholder needs to provide a valid UAE mobile number mandatorily. However, it is not mandatory that the mobile number provided should be owned by (i.e. is in the name of) the Primary Cardholder. An example could be as follows:

Primary Cardholder is **Mr. A** but the mobile number provided by Mr. A to CBD is in the name of his spouse **Ms. B**. In this case, Ms. B is the **Owner** and Mr. A is the **User** of the mobile number. Mr. A can enroll into Smiles.

12. IF I HAVE PROVIDED SOMEONE ELSE'S MOBILE NUMBER, WHAT ARE THE IMPLICATIONS ON MY SMILES POINTS?

This is best explained using the same example as mentioned above:

CBD will share the mobile number provided by Mr. A (**User**) with Etisalat, Etisalat will assign an existing Smiles Membership to this mobile number if already enrolled in Smiles or assign a new membership if not enrolled. CBD will transfer Smiles Points accumulated on the Card to Etisalat who will then credit the Smiles Points to the Smiles Membership assigned of Mr. A (**User**). Mr. A will be able to access this Smiles Membership via the Smiles UAE mobile app on his phone to view and redeem the Smiles Points.

It is important to note the following:

- **Owner of the mobile number provided by Mr. A is Ms. B**
- **If Ms. B is also enrolled into Smiles UAE and has linked all her Etisalat accounts, then Ms. B will have access to view and redeem the Smiles Points available against Mr. A's Smiles Membership as well**

13. CAN I HAVE TWO SMILES MEMBERSHIPS FOR THE SAME MOBILE NUMBER?

No, a Smiles Membership is unique to a specific mobile number.

14. WHAT WILL HAPPEN TO MY SMILES MEMBERSHIP AND POINTS IF I CHANGE MY MOBILE NUMBER WITH CBD?

A Primary Smiles Cardholder can change his mobile number with CBD at any time however please note that when you update your mobile number, CBD will share the updated mobile number with Etisalat to check if there is a Smiles Membership already linked to this new mobile number or not.

- If a Smiles Membership is already linked , then the same number will be assigned to Smiles cardholder and thereafter all the accumulated points will be transferred to the updated Smiles Membership
- If a Smiles Membership is not found, then Etisalat will create a new Smiles Membership for the updated number and will be assigned to the Smiles cardholder. Steps mentioned in Q9 1.2 will

be followed. Thereafter all the accumulated points will be transferred to the updated Smiles Membership

The Smiles cardholder would need to login in the Smiles UAE app by entering the updated mobile number and the OTP received to access the Smiles UAE app.

It is important to note the following:

As a result of the change in mobile number, Smiles Points earned till the date of change will reside under the older Smiles Membership and Points earned from the date of change will now accumulate under the new Smiles Membership. If the Cardholder wishes to link both the Memberships and / or combine Smiles Points, he / she will need to contact the Etisalat contact center at 800101.

15. CAN I CHANGE MY MOBILE NUMBER DIRECTLY ON SMILES MOBILE APP? WHAT HAPPENS IF I DO?

- Etisalat Consumers cannot change their mobile number directly on the Smiles UAE mobile app.
- Etisalat Enterprise (corporate) & Non-Etisalat customers can change their mobile number directly on the Smiles UAE mobile app and the existing Membership number shall be updated with the new mobile number. In such an instance the cardholder **must** update his/her mobile number with CBD. Failing to provide the correct and complete mobile number to CBD will result in Smiles Points not being credited to the Cardholder's Smiles Membership at all or being credited to a different Smiles Membership that may not belong to the Cardholder.

16. WHAT WILL HAPPEN TO MY SMILES MEMBERSHIP AND POINTS IF I CHANGE THE MOBILE SERVICE PROVIDER BUT RETAIN THE SAME MOBILE NUMBER?

It is the Cardholder's responsibility to inform the Bank in situations where the Cardholder wishes to retain the same mobile number but has changed the service provider from Etisalat to non-Etisalat or vice-versa. Failing to inform the bank may lead to Smiles Points not being credited.

17. CAN I CHANGE MY MEMBERSHIP DETAILS ON SMILES? HOW?

Yes, Membership details can be changed through the Smiles UAE mobile app as follows:

- Open the SMILES UAE app and click on 'Account' tab
- Select 'Edit' option to update the details.

18. CAN SOMEONE ELSE ACCESS MY SMILES MEMBERSHIP? HOW CAN I PREVENT THIS?

Please refer to Q12 for the answer to this question. We strongly recommend that the Primary Cardholder should be the Owner of the Mobile number provided to CBD i.e. the number should be in the name of the Primary Cardholder.

19. CAN I LOG INTO MY SMILES MEMBERSHIP FROM A DIFFERENT DEVICE?

Yes, the Cardholder can login to his / her Smiles Membership through any device using the mobile number mapped to the Smiles Membership and after validating through a One-time Password (OTP). Please note that only ONE ACTIVE login session can be undertaken at any given time, so if the Cardholder is logging in to the same Smiles Membership from a different device, he / she will be logged out automatically from any previous sessions/devices.

20. CAN MULTIPLE SMILES MEMBERSHIPS BE ACCESSED THROUGH THE SAME DEVICE?

Yes, but the Cardholder would need to logout from the previous session and login using the mobile number mapped to the other Smiles Membership.
