The screenshot shows the iTrade interface for the Commercial Bank of Dubai. The user is logged in as 'User: Firstname Lastname / 568673'. The navigation menu includes 'Trade Services', 'Queue', and 'Administration'. The left sidebar lists various guarantee-related options, with 'Guarantee - Inquiry' selected. The main content area is titled 'Inquiry - List of Outward Guarantee Transactions' and contains a search form. The form includes fields for System ID, Entity (pre-filled with 568673), Entity/Applicant Name, Bank Ref, Our Ref, Beneficiary Name, City, and Expiry Date (From/To). A 'Search' button is located below the form. Below the search area, there is a table header with columns: System ID, Entity, Entity/Applicant Name, Bank Ref, Our Ref, Beneficiary Name, City, Amount, Issue Date, Expiry Date, and Status. The table currently shows '0 items' and 'No Records Found'. A 'Download File' button is visible in the bottom right corner of the search area.
